

# Management Policy Manual

Title: Health & Safety Policy Statement

MP No.: 7-3

## Health & Safety Policy

It is the company's policy to:-

- Provide conditions of work which meet and exceed Health & Safety legislation with the aim of ensuring the health, safety and welfare of all employees whilst on the company's business, on or off the premises.
- Fulfill its health, safety and welfare duties to customers, contractors, visitors and the wider general public.

The company, *through the Directors and Management Team:-*

- *Is committed to taking all practical steps to meet the aims and objectives of the policy*
- *Will implement systems which will assist in preventing injury and/or ill health.*
- *Has systems and practices which are compliant to Health & Safety Law and other requirements to which the organisation subscribes (OHSAS 18001).*
- *Has systems and procedures to manage hazards and potential risks.*
- *Has systems that provide a framework for setting and reviewing objectives.*
- Recognises that all employees have responsibility for their own, and others' Health & Safety
- *Will ensure that the policy and relevant Health & Safety systems information is communicated to persons working under the control of the company and other interested parties.*
- Provides information, training and supervision to all employees to enable them to meet their Health & Safety responsibilities and obligations.
- Holds regular reviews to ensure that the Health & Safety policy and management system are adequate and comply with current legislation.
- Regularly reviews corrective actions to ensure they are completed in a timely and effective manner.
- Actively encourages continuous improvement in Health & Safety throughout the company.

Signed

A handwritten signature in black ink, appearing to be 'L. O. G.', written over a horizontal line.
